About the speaker

Lynn Irving qualified as a registered VN in 2003 and worked in mixed practice in Guildford before moving to Newmarket. She joined Rosssdales LLP in 2003, gaining her EVN qualification in 2006. Her main area of interest is surgery and being head theatre nurse for a number of years allowed her to excel in this area. Lynn achieved the Diploma of Higher Education in Clinical Veterinary Nursing, the RCVS Diploma in Advanced Veterinary Nursing and in 2017 also gained a 2:1 in her Bachelor of Science Degree in Advanced Veterinary Nursing. Having worked in the equine field for over fifteen years, Lynn is currently lead nurse at a small animal veterinary practice in Cambridge. In her spare time Lynn enjoys competing her horse and improving her gun dog abilities with her Labrador.
