

The Towcester Puppy Parties

Puppy parties are held as a course of two sessions and are completely free of charge.

We guarantee they'll be a lot of fun for puppies and humans alike. The parties are also a great opportunity to socialise your puppy and meet other owners in the area. The nurses are on hand to give information on training, socialisation, flea / worm treatment, microchipping, nutrition and puppy care.

Puppies can attend between 6-14 weeks of age, after having had at least their 1st vaccination.

Please contact us either by email or phone if you have any further questions or wish to reserve a place.
