

# DRIVING WITH PETS ON WARM DAYS?

## READ THIS LIFESAVING ADVICE

22 Degrees Celsius outside can reach 47 degrees inside the car within 1 hour

Clouds, parking in the shade and cracking open the window isn't enough

## KEEP YOUR PETS SAFE

✓ **Don't leave pets in parked cars**

✓ **Avoid travelling at the hottest times**

✓ **Install backseat car window shades**

✓ **Put your pet/their carrier on backseat**

✓ **Always carry water and a bowl**

✓ **Use air-conditioning wherever possible**

✓ **Provide comfort and refreshments breaks**

✓ **Fill up b4 taking your pet or pay at pump**
